DISTRICT PERSONNEL BY EXPERIENCE, & SALARY 2005-2006

This table includes all full-time and part-time certified personnel in full-time equivalency as well as personnel paid from federal funds. Salaries do not include extra pay. Information presented deals with positions rather than people. Persons who work in more than one professional field are counted in each field. The calculations are based on 120th day data submitted by school districts as part of the ADS Report.
